Hi Caroline,

As 2023 Public holiday is ready inside the system, employee is allowed for next year leave application.

For now, we don't have the setting to freeze the action for next year leave taken.

And for the leave type. eg. Annual leave, even employee apply it now for next year, when system perform the transfer balance, system will re-compute the balance and update accordingly when come to 01 Jan 2023. Thanks.

If you would like to have a feature that is not allowed any next year application during current year, please help to submit your feedback at this portal: <https://ideas.justlogin.com>, as your comments get to the right people or our Product Managers and we can improve your experience moving forward.

Hello,

Can you advise why this colleague is able to apply in Camp Training for Y2023 in the e-leave system? Thought that we are supposed to close the system every year end to able the transfer balance accurately?

Thank you.

**Best regards,  
Caroline.**
